All licenses are electronic downloads from the appropriate link at the Gubbs Inc GMSU/QC download site: http://www.gubbsinc.com/GMSU_download.html

1.1 Purchase Link

This link contains the first release of a new GMSU/QC major version (e.g. 6.0.0).

1.2 Bug Fix Link

This link contains all minor releases of the current version (e.g. 6.0.1). Customers should check this link for the most recent release of the current version.

Licenses come with a 60-day warranty during which the customer has free access to the Gubbs Inc GMSU/QC download site. After 60 days, customers must purchase a Yearly Maintenance Contract (see Section 2) to maintain access to the download site.

When determining the number of licenses to purchase, remember to take into consideration that GMSU/QC can be configured in multi-user mode, allowing users to install and GMSU/QC at his/her office workstation to process data located on a data acquisition workstation or located on a network server. Please contact Gubbs Inc for further information (contact information available at www.gubbsinc.com).

Please note that licenses also may be purchased from Thermo Scientific. Please contact your Thermo representative for Thermo GMSU/QuickCalc license pricing. If licenses are purchased from Thermo, your Thermo rep will notify Gubbs Inc, who will then contact you to provide your access credentials to the Gubbs Inc download site. If a license has been purchased and Gubbs Inc. has not contacted you, please contact Gubbs Inc (contact information available at www.gubbsinc.com).

2 Yearly Maintenance Contract (YMC)

The Yearly Maintenance Contract is based on the number of GMSU/QC licenses currently owned.

GMSU/QC Licenses Owned	YMC Unit Cost	Total Cost
1 – 6	\$2,500	\$2,500
7 – 12	\$5,000	\$5,000
Site ¹	\$7,500	\$7,500
Enterprise	Negotiable	Negotiable
¹ Legacy customers allowed to maintain existing Site License YMC pricing		

The YMC effective period is one year from the purchase of the YMC.

PLEASE NOTE: If a YMC is not purchased within 6 months of initial purchase of GMSU/QC, the cost is doubled.

A YMC contains the following features:

- 2.1 Free upgrades and bugfixes during the YMC period.
- 2.2 Priority response (1-2 day) to questions, problems, issues.
- 2.3 Free GMSU/QC report customization.
- 2.4 Free GMSU/QC post-report macro writing services. A post-report macro can be used to:
 - Further process data to generate additional values than those provided by GMSU/QC
 - Place data in an existing company template
 - Upload data into an existing LIMS system
 - Provide a user interface giving the user a choice of actions

Please note that the YMC can be obtained only through Gubbs Inc.

3 Training

A full day training class is offered for \$2,500.
Customers outside the continental US and Canada must reimburse Gubbs Inc travel expenses.
